Residential For Sale

5,183 Sqft - 8501 SW 68th St Rd, Miami, Florida 33143

Full Property Description

Sick of being presented the typical Florida cookie cutter home? Look no further. This unique property has been completely transformed, sitting on over an acre. Secluded at every angle & the amount of privacy you will have by not being on top of your neighbors will be sure to leave you wanting to host gatherings & get together! This home offers the perfect floor plan and layout for a multi-generational family that wants to live together under one roof or this can be the perfect opportunity to accommodate your live in nanny! When you arrive, you will notice the U-Shaped driveway that offers covered parking in addition to your 2 car garage. On the first level of the home you will find your completely remodeled gourmet kitchen with 42 inch cabinets, sleek hidden dishwasher, an oversized island with a 10 foot waterfall finish over looking your pool. To the right of your front door you will find an at home office, if that is not suitable, you can get creative & convert that space to a convenient walk in butlers pantry or a meditation room! There are two bedrooms on the lower level, one being a Junior Master Suite with attached bath & oversized closet space with French doors leading you to the covered patio out back. As you make your way to the main living area which was a complete addition to the original home it will leave you with endless idea's due to the enormous space you have to place your furnishings. The custom trendy wallpaper will be sure to grab your attention by the large wet bar featuring a double wine fridge & marble countertops & cabinetry that match your kitchen & travertine floors throughout this space. The chic half bath is perfect for guests which is located right under the staircase which leads you upstairs to the remaining 3 bedrooms. Upstairs to your left is the Primary Master Suite that will completely blow you away, from the size of the room itself, 2 large walk in closets, the French doors leading you to your large private balcony over looking your acreage, a luxurious en-suite bathroom with an elongated double vanity with more than enough counter space, the trending LED mirror, a seamless marble walk in shower with dual shower heads, a stand alone soaking tub for those relaxing nights & a window which will still provide you natural light everyone loves. The remaining 2 bedrooms upstairs will also be sure to impress you, the size of each bedroom is incredible both featuring walk in closets, and also having full bathrooms of their own. The home has two laundry rooms, one on the first level of the home & the other in the HUGE BONUS ROOM behind the garage which is also under air conditioning, currently being used as the pet spa but can be converted to an at home gym! Children will be entertained for hours out back with the custom tree house & in ground pool. More exterior features include an outdoor shower, summer kitchen, private fenced dog run along the side of the yard & mango tree's still leaving you plenty of space for an at home garden. This home is equipped with surround sound & speakers throughout. Property is on well water & has 2 septic tanks, the one on the left side of the home is new & the one on the original side of the home is still in great condition & was pumped a year ago. Functioning with 3 A/C units to control the homes zoning; one on the original side of the home, one for the main living room downstairs & third for the second level. The amount of french doors every way you turn throughout the home will be sure to keep your home filled with natural light throughout the day. Indoor fireplace which is perfect for the holidays that are right around the corner & solid oak wood flooring throughout. This tucked back hidden property is conveniently located to major highways & shopping centers.
